

REMARKS

The present amendment corrects the listing of claims in that claims 9-17 that were cancelled in the amendment of February 25, 2004 are accounted for, and that the new claims (9-13) presented in the December 22, 2006 amendment have been renumbered as new claims 18-22. The listing of claims in this amendment should therefore replace the listing of claims in the December 22, 2006 amendment. Applicant respectfully submits that the current amendment raises no new matter issues.

Applicant believes that no fees are required in connection with this Response. However, if any fees are required, the Patent Office is authorized to charge Deposit Account No. 01-1425.

Respectfully submitted,
